Lower Key Stage 2 Newsletter

SEPTEMBER/ OCTOBER 2025

Welcome to our New Academic Year

Message from The Lower Key Stage 2 Leader

Dear Royal Families,

We are overjoyed to see our families return and to welcome new ones into our Royal family, It's always such a special time, full of fresh beginnings, new friendships, and exciting learning adventures ahead.

Our caring and dedicated team is here to ensure that every child feels happy, valued, and inspired each day. We believe that when children feel safe and supported, they can truly shine, not just academically, but also socially and emotionally.

The first half of the term has already been filled with smiles, achievements, and enthusiasm for learning. Our pupils have settled in beautifully and are showing great curiosity and confidence as they explore new challenges.

As we look ahead, we're committed to nurturing a love of learning, encouraging independence, and celebrating every success, big and small. Please remember, our doors are always open. We're here to listen, support, and share this exciting journey with you.

Here's to a joyful, inspiring, and memorable year ahead at The Royal School!

Cordially,

Ms. Maggie Sami

Lower Key Stage 2 Leader

Year 3 Back to the Stone Age!

Our transition from Key Stage 1 to Key Stage 2 was a remarkable experience for our **Year 3 pupils**. In this thrilling adventure, **Year 3** embarked on a fascinating journey back in time to the Stone Age.

As they travelled through time, they engaged in various activities that brought the Stone Age to life. Our classes transformed into caves, pupils embraced their creativity and painted mesmerising cave art!

Lower KS2 NEWS

Year 4 Back to the Vikings!

Our Talk for Writing hook in Year 4 was an action-packed journey back to the time of the **Viking raiders and invaders**. The students stepped into the roles of fearless Vikings setting sail from Scandinavia in their longships, ready to explore, raid, and conquer new lands.

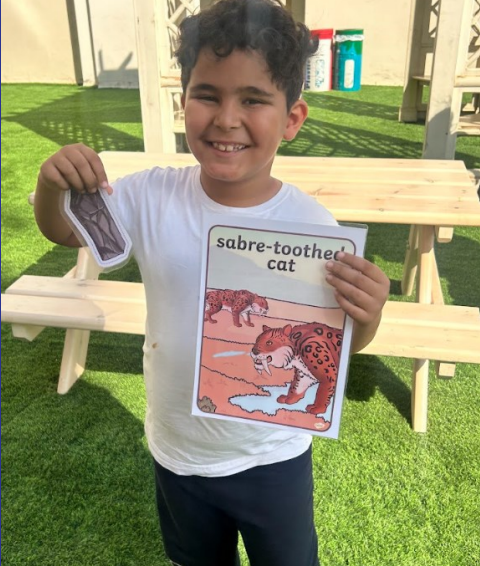

The experience brought history to life, sparking excitement and inspiring powerful writing about the daring adventures of the Vikings!

Lower KS2 NEWS

One of the most enjoyable learning opportunities in Year 3 World Studies, linked to our Stone Age unit, was when students became hunters and gatherers for the day. They explored how early humans found food by foraging for hidden fruit pictures around the playground and pretending to hunt wild animals using safe, creative props.

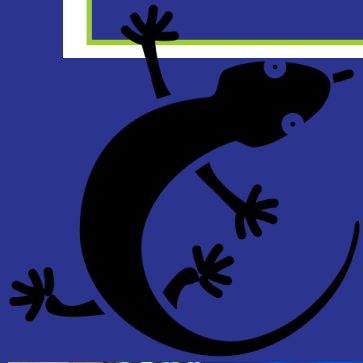

A Glimpse of LKS2 Active Learning Opportuni-

This hands-on activity helped them understand survival skills, teamwork, and the challenges faced by Stone Age people in a fun and engaging way.

More Lower KS2 NEWS

Year 4 pupils had an equal opportunity, students had a hands-on learning experience by classifying living things collaboratively. This practical activity encouraged teamwork, critical thinking, and a deeper understanding of how scientists organise the living world.

A Glimpse of LKS2 Active Learning Opportuni-

In Maths, Year 4 pupils used **interactive play as a tool** to explore and identify different areas of learning. Through engaging games and hands-on activities, they strengthened their understanding of key mathematical concepts while developing problem-solving skills in a fun and collaborative way.

No Pens Day!

Discover an extraordinary day when the pen police roam the corridors, keeping a watchful eye on key stage pupils who dare to wield the forbidden writing utensil. It's 'No Pens Day!' a thrilling event that challenges pupils to express themselves without the aid of a pen. This unique initiative aimed to encourage creativity.

A Glimpse of Year 3 and 4 No Pens Day!

180 degrees Charity Initiative

The Royal British International School held its first charity event of the year in

partnership with the 180 Degrees Foundation, supporting underprivileged children by packing school bags for students across Egypt in time for the new school year.

One of our core values is civil engagement. It is vital that our pupils learn the importance of giving back to the community by getting involved in several charity initiatives, aimed at inspiring them to be leaders of the future.

Year 4 Swimming Gala

Year 4 pupils took part in an exciting **Swimming Gala**, where they proudly represented their Houses in a series of friendly competitions. The event was filled with energy and team spirit as pupils showcased their swimming skills, cheered for their teammates, and celebrated each other's achievements. It was a fantastic display of perseverance, sportsmanship, and House pride.

Total House Points in Primary for Half Term 1

Pupils in Primary collect PAWS points for:

- ◇ Being Ready To Learn
- ◇ Outstanding Behaviour and Work
- ◇ Demonstrating Royal Values

25 PAWS points are equivalent to 1 House point.

Primary and Secondary House Points are totalled together every month to identify and celebrate the leading Royal School House.
